

Procedure for Courier Packages

Determine which courier company your division has an account with Provisioners and Pet Foods have accounts with Fedex, Interco has account with Purolator.

Pet Foods account number with Fedex is 164271080

Provisioners account number with Fedex is 451458060

*** Phone number for Fedex is 1-800-463-3339*

Interco Fabrications account number with Purolator is 975340

*** Phone number for Purolator is 1-888-744-7123*

There are 2 ways to send a courier – manual – fill out the waybill (example attached) or login online and fill out the information (example attached)

For Interco – you can use the Fedex account for Pet Foods (same G/L) just mark for Interco under the “Internal Billing Reference” field

If possible, please use Fedex Ground (even for envelopes) as it is about half price of using express

NOTE: Fedex Ground does not pick up from here until the following day so cannot use for “URGENT” docs – but if you have 2-3 days for it to arrive it is much cheaper.
